EDUCATION

New York University Tandon School of Engineering, Brooklyn, NY **Aug 2020 - Present**

PhD in Electrical Engineering, Advisor: Prof. Thomas Marzetta, Tandon SoE Fellowship

Research Interests: Wireless Communications, Physics based Channel Models, Capacity Bounds.

M.S. in Electrical Engineering

Aug 2020 - May 2022

Relevant Coursework: Detection and Estimation, Wireless Communications, Machine Learning.

New York University Abu Dhabi, Abu Dhabi, UAE

Aug 2016 - May 2020

B.S. in Electrical Engineering & Minor in Computer Science, Full scholarship

Relevant Coursework: Communication Theory, Communication Networks, Electromagnetic Waves.

EXPERIENCE

Nokia Bell Labs, Murray Hill, NJ

June 2022 - Aug 2022

Wireless Propagation Modelling Intern (MATLAB)

- Implemented a parabolic equation approximation for the wave equation to improve macro-site path loss prediction in over the top propagation scenarios.
- Conducted a comparison study of the newly developed method with measured path loss data, resulting in low error rate and demonstrating the effectiveness of the method.
- Received the Outstanding Innovation Award from the Global Student Program, ranking in the top 7% worldwide in an internal competition among interns.

NYU Wireless, Brooklyn, NY

Aug 2020 - Present

Research Assistant (MATLAB)

- Studied the Heat Equation using communication methods to explore the potential of heat and diffusion as a communication channel (Publication awarded best paper at GLOBECOM 2022).
- Simulated the heat channel model and its impulse response to numerically investigate the channel capacity.
- Examined the effective bandwidth of the heat channel and its relationship to input power.

NYU Tandon Department of Electrical and Computer Engineering, Brooklyn, NY

Jan 2021 - Present

Course Assistant: Digital Communications, Fundamentals of Communication Theory (MATLAB)

- Prepared MATLAB exercises that complement lectures and held weekly lab sessions with ~15 students.
- Evaluated weekly student assignments, provided feedback and offered support during office hours.

NYU Abu Dhabi Applied Interactive Multimedia Lab, Abu Dhabi, UAE

May - July 2018, 2019 & 2020

Research Intern (C++, HTML, JS)

- Proposed and implemented a WebRTC based network handshake protocol that enables bidirectional haptic and audiovisual communication as part of the 1918.1.1 IEEE working group.
- Developed and tested a Leader-Follower Teleoperation Codec to communicate haptic data between two devices and explored its application as part of the 5G Tactile Internet.
- Designed a 3D environment using Unity to assess the impact of haptic feedback on cognition and emotion.

NYU Center for Cosmology and Particle Physics, Abu Dhabi, UAE

May 2017 - June 2017

Research Assistant (Python, pandas)

- Investigated the correlation between star formation and radio luminosity through statistical data analysis.
- Conducted a comparison study of visual luminosity versus radio luminosity to identify star formation patterns.

SKILLS

Programming: MATLAB, C++, Python, JavaScript, HTML, LaTeX.

Software: WebRTC, Unity, 3D design and printing, EEG Data Acquisition.

Language: English (Fluent), Amharic (Native), Tigrigna (Native), Korean (Intermediate speaking and listening).

AWARDS & HONORS

Best Paper Award: IEEE Global Communications (GLOBECOM) 2022 Conference

Dec 2022

Outstanding Innovation Award: Global Student Program, Nokia Bell Labs Internship

Aug 2022

Winner of Mozilla's Common Voice for Low-bandwidth Challenge: Mozilla and NVIDIA collaboration

July 2022

LEADERSHIP & COMMUNITY INVOLVEMENT

Hilary Ballon Center for Teaching and Learning, Abu Dhabi, UAE

May 2020 - July 2020

Tutor

- Trained underprivileged students on online learning tools during the COVID-19 pandemic shutdown, designed curriculum, and taught 9th grade students Biology, Chemistry, Physics and Math.

TEDxNYUAD, Abu Dhabi, UAE

Aug 2017- May 2018

Co-chair of Executive Board

- Gained leadership, logistical and interpersonal skills by organizing the nomination and selection of TEDxNYUAD's 2018 speakers with a team of ~20.
- Collaborated with TED Conferences LLC and NYU Abu Dhabi stakeholders to obtain an official TEDx license, organize a public annual event and market to the Abu Dhabi community.

Strength in Vocational Education (STRIVE) Initiative, Abu Dhabi, UAE

March 2017- May 2017

Tutor

- Mentored refugees by developing English language lessons, providing feedback, giving support, and fostering confident language skills.
